

# Students: How to Join a Teams video Meeting through Seesaw

1. In Seesaw first click your name in the top left corner. Then find the class your teacher has asked you to go to (i.e. ELA, MATH, P.E. etc).

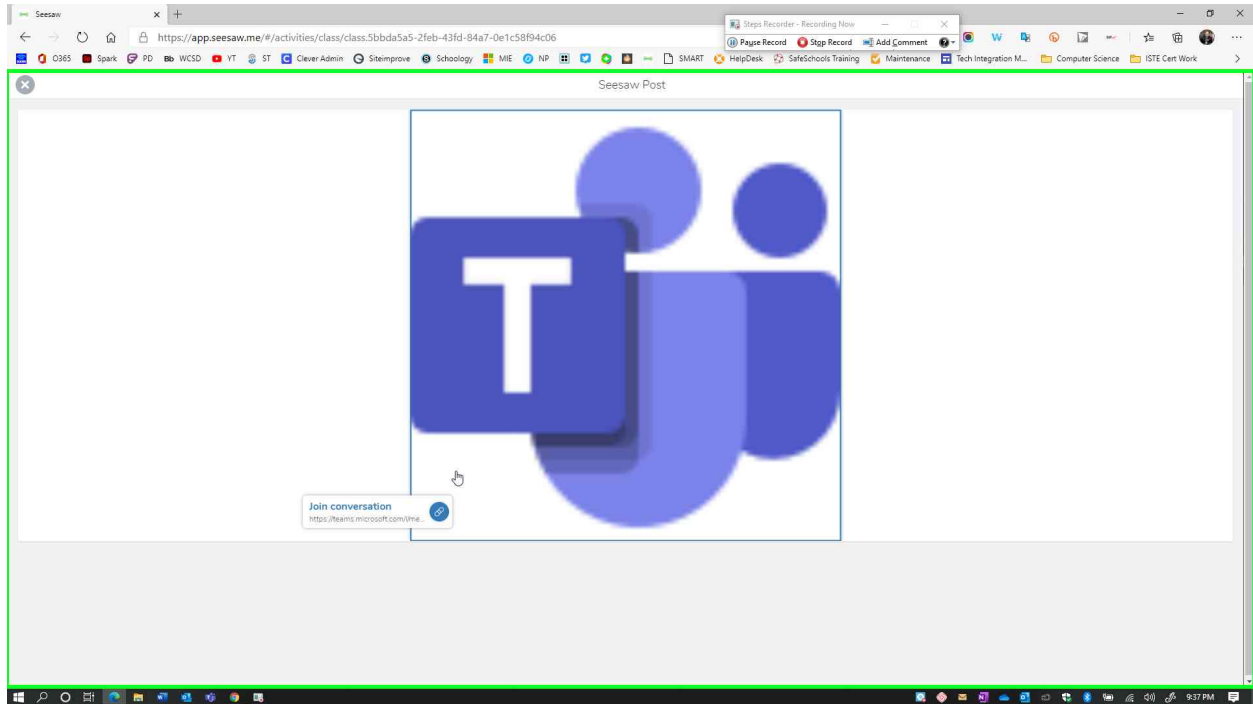

2. Once in the class click on "Activities" 

3. You will then look for the activity with the Purple people and the letter "T". Click on the link  under the letter "T" or anywhere on the Purple People.

4. When this window opens click anywhere on the Purple people. This will open your video call with your teacher.

5. Click the purple box that says, "join now".
