

**A probable or laboratory confirmed COVID-19 positive staff/student is present in school during the infectious period of 48 hours prior to onset of symptoms *or* 48 hours prior to a positive test result**

**If both the probable/confirmed positive case and student/staff contacts were:**

- Wearing a mask AND  $\geq 6$  ft away

**OR**

- Wearing a mask AND  $\leq 6$  ft. away, for < 15 minutes

**No quarantine required**

**If both the probably/confirmed positive case and student/staff contacts were one of the following scenarios:**

- Wearing a mask or Not wearing a mask AND
- $\leq 6$  ft away, for 15+ consecutive minutes

**OR**

- Not wearing a mask AND
- $\geq 6$  ft away, for 60+ minutes (cumulative) while indoors

**Quarantine required for those sitting in front, side to side and behind the probable/confirmed case**

**Busing, sports, band/chorus, and lunchroom exposure decisions will be made on a case-by-case basis**

**Quarantine decided following investigation of circumstances**

*If at any time during isolation of a positive case, another staff/student who had proximate contact during the case's infectious period becomes symptomatic, the entire classroom will be quarantined, regardless if masked.*

Per the CDC: People who have tested positive for COVID-19 within the past 3 months and recovered do not have to quarantine or get tested again as long as they do not develop new symptoms. [COVID-19: When to Quarantine | CDC](#)

The LHD has the right to deviate from the above, at their discretion, following the investigation of circumstances
