FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

If you are a returning FamilyID user; please use the following steps:

2. Login using the e-mail address and password you created previously (do not create a new account)
3. Choose the sport.
4. Click on "Add Participant Below or Click to Select" and pick your child's name.
5. Update health and demographic information, if necessary.
6. Sign-off on seasonal agreements.
7. Save and Submit
